Juno College Institute of Technology, *Front End Development, Ontario*   2023

University of Toronto, *Bachelor of Arts, Toronto, Ontario*   2018

WORK EXPERIENCE

Telecommunication Sales Rep, Kingston, Ontario   2020-2022

Mobile Klinik

- Engaged customers and businesses in diagnosing their mobile device needs
- Won a quarter long sales push, breaking a company wide record.
- Held workshops with older clients, helping them become more familiar with their devices
- Wrote documentation for complex systems, to help new hires get up to speed.

Restaurant Manager, Toronto, Ontario   2018

Liberty Entertainment
- Coached and mentored 10+ staff members in customer service skills as well as food and beverage knowledge to support daily operations in the fast-paced environment.
- Supported a positive team environment where staff were able to work collaboratively to repeatedly break sales records.
- Established and administered a tip pooling system to promote pay equity among the restaurant staff.
